

SANT ANTONI

Ibiza - one to one

Live a different experience in Sant Antoni Portmany in Ibiza

Sant Antoni de Portmany is Ibiza, an island of magic and charm that invites you to explore its most authentic and lesser known corners. Our proposal brings together culture, history and legends, wineries, gastronomy or walks among flowering almond trees. But, possibly, the most important thing will be the moments that you will live with the people you will meet during your stay with us and that will make you feel and live like one more Ibizan to take back a positive memory.

Join us on this itinerary through the local fishing culture and tradition or through the workshops of our artisans, who will teach you how to make a small piece that will be your best memory of Sant Antoni de Portmany. We will share unique moments that will undoubtedly become memorable memories.
