Mura mill

Waterfalls in Mura

Olive oil and wines from Bages

## Itinerary

**Day 1.** You will be accommodated in Mura, a spectacular medieval village, where you can rest in a charming rural house.

The first day will be waiting for you **Pere**, a muratà in love with his hometown and one of the great experts of Sant Llorenç de Munt.

Enjoy a **trekking morning** and discover a protected natural territory, with their hideouts and fascinating scenarios. Pere will show you a landscape shaped by water. In the afternoon he will show you an astonishing rural house, an authentic mill converted to museum, during the afternoon you will taste and meet the **best olive oils** of the natural park.

**Day 2.** After breakfast **Pep** is waiting for you to explain you the winery tradition of the area. You will discover the famous **vats of Bages** and taste the best wines of the Natural Park.

## Description

**Sant Llorenç del Munt i l'Obac** is a fascinating natural park, full of unknown tracks that you will discover from one of their inhabitants, the best expert of this protected area. He will share the secrets and goodness of living surrounded of natural wonders.

You will enjoy one of the most pleasant activities "a good meal after trekking". Surrounded of winery scenarios and paths, you will taste the authentic Catalan gastronomy, bathed in the best wines of the territory with designation of origin.
