### **Day 1. Arrival at Jorba**

Arrival and check-in at the accommodation.

### **Day 2 Igualada and Òdena**

In the morning, discover the millenary origins of the city of Igualada and walk along its walls, while you discover the main heritage elements of the old town. In the afternoon, learn about the history of Finca Can Macià and the process of making Bohigas cava. Includes tasting of two products.

### **Day 3. Pujalt**

In the morning, guided visit to the Popular Army's Memorial where you will see the interpretation centre, audio-visual material and the reconstructed training base. Lunch in local restaurant. In the afternoon, solar observation and a journey through the universe at the Pujalt Astronomical Observatory.

### **Day 4. Prats del Rei**

Enjoy Sikkarra, through a historical trek. You will find the remains of the old city wall, in the town centre, from the 5th century BC and the famous Tower of La Manresana, witness to the last victory of the Asturian troops against the Bourbon troops before the fall of Barcelona and Cardona.

### **Day 5. Capellades**

In the morning, visit to the Paper Mill Museum in Capellades. You will get to know the history of paper: its origins, the manufacturing and industrial work, and the paper mills in Catalonia. In the afternoon, visit to the Abric Romaní archaeological site to find out how our Neanderthal ancestors lived between 100,000 and 70,000 years ago.

### **Day 6. Jorba**

Visit the castle of Jorba and learn about its stories and protagonists, strong, brave and daring women who consolidated and maintained the Barony of Jorba. It would become a key piece for the control of the Basin of Òdena but also a privileged platform for the expansion, towards the south and the west, of the Border.

### **Day 7. Returning home**

Breakfast and check-out.
